5TH WFDYS CHILDREN CAMP 1-7 OCTOBER COLONIA URUGUAY 2022

★ **DISCOVER MANY STARS** ★

FIRST ANNOUNCEMENT

Dear Deaf Youth Associations / Sections and/or Deaf Associations

We introduce ourselves again to say with great enthusiasm that the camp date is near, we activate the countdown: please have the tickets in hand!

From the organizing committee (COC), we are convinced that the camp will be a super wonderful and enriching instance for everyone; there is so much to learn and share with boys and girls from different cultures.

We are committed to the watchword: "Discover many stars", the camp is an excellent opportunity to stimulate imagination, creativity and confidence of each child, through playful experiences and magical moments. We consider that the childhood is a very important stage to grow up and let your imagination fly between the stars.

To promote gender equality we request two for each boys and girls. Adding to this, we accept another one more for each boy and girl to have a better distribution of participants in the camp. We remember you that the age of children must be from 9 to 12 years old, and the leaders from 21 to 30 years old, both at the time of the camp.

We remind you too, that the camp will be taking place at Parque 17 de Febrero in Los Pinos, Colonia from 1-7 October 2022, please note that this location is recently changed and updated from the original announcement. The camp location is a quiet place in the Uruguayan prairie in the Colonia department, near from the airport and also from the capital. On an important note that the registrations will close on 1 May 2022.

If you wish to reserve, contact your respective Deaf Association or Youth Section of the Deaf Association.
